INTRODUCTORY

R. L. Polk & Co.'s Ann Arbor, Ypsilanti and Washtenaw County Directory for 1910 is herewith presented.

The work contains 1008 pages. Of these the first 108 pages are devoted to useful information relating to the city of Ann Arbor and county in general, embracing a street and avenue guide and directory of householders and of those who are engaged in business, arranged by streets and numbers; every department of city and county government; a list of the Faculty of the University of Michigan; full information concerning banks, cemeteries, churches, hospitals, incorporated companies, libraries, periodicals, parks, the postoffice, public buildings, railroads, public and private schools, etc.

This is followed (pages 109-424) by an alphabetically arranged directory of business firms and private citizens in the city of Ann Arbor. A similar arrangement (pages 425-592) follows for Ypsilanti. Succeeding this (pages 593 to 681) are alphabetically arranged directories of Bridgewater, Chelsea, Dexter, Dixboro, Manchester, Milan, Pittsfield, Salem, Saline, Urania, Whitmore Lake, Whittaker, Willis and York.

A Classified Business Directory of all persons doing business in the county will be found on pages 683 to 815. This department shows the various manufacturing, mercantile and professional occupations in alphabetical order by towns and constitutes an epitome of the business interests of the county. The final pages are devoted to a list giving name, section, number of acres, assessed valuation, name of township and postoffice addresses of all farmers in Washtenaw county.

The Directory is placed by us in the Libraries of the various directory offices throughout the United States and Canada, where it serves as a lasting advertisement for Washtenaw County and its business interests.
